John Bielski joins Berkshire Money Management

Bielski

By Dick Lindsay

Thursday, July 12, 2018

DALTON — Longtime Berkshire resident John Bielski has joined Berkshire Money Management's team of investment professionals. A Registered Investment Advisor, Bielski brings nearly two decades of experience to the company, and will focus specifically on the firm's day-to-day operational responsibilities.

Bielski holds a bachelor of science degree in business administration and finance from the Massachusetts College of Liberal Arts.

Originally from Chicopee, Bielski moved to the Berkshires after interning at Dion Money Management, where he first met Berkshire Money Management's owner and CEO Allen Harris. He lives in Cheshire with his partner Kaila, and their daughter Hannah.
